

The Whale Route

Come and join us for a tour along the coast to the charming town of Hermanus. Southern Right Whales can be spotted from the shore all along this route between the months of June to December. The route passes over Sir Lowry's Pass and on to Hermanus and returns via Clarence Drive and the eastern shore of False Bay, which adds to the tours scenic beauty. The Harold Porter Botanical Garden is perfect for a relaxing afternoon stroll in one of the Cape's fine botanical gardens.
